

If you like airplanes and hanging out with pilots, we are the organization for you. Our members and the planes we fly are very diverse. We have student pilots, active and retired airline pilots, corporate and military pilots, recreational pilots, and many non-pilots who enjoy being around aviation.

Thinking of building or restoring an airplane?

We can be a tremendous resource in saving you time and money with your project. Our members have years of experience and knowledge to help you succeed. We have many specialty tools available to members as well. Our tech counselors can also help you with FAA certification of your aircraft..

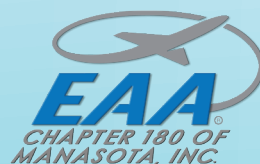

Coming Soon Our New Home SRQ Community Aviation Center

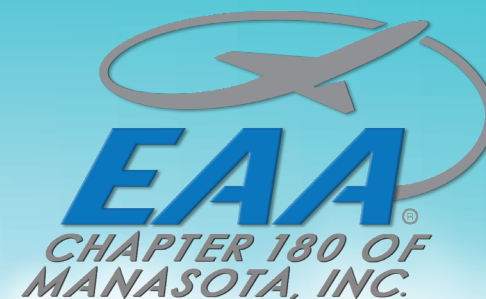

EAA Chapter 180 and Teen Aircraft have partnered with SRQ Airport, the SRQ Composite Squadron of the Civil Air Patrol and the SRQ Ladybugs Chapter of the Ninety-Nines. Our new home will be the General Aviation and youth center for aviation education and exploring career opportunities in the SRQ community serving Manatee and Sarasota Counties. For more information, visit eaa180.org/cac

EAA Chapter 180 has flown over 5,000 kids in the past 30 years, giving many a first-time flight experience.

Come join us the 3rd Saturday each month. We welcome pilots, ground crew and anyone interested in sharing the dream of flight with kids.

Help kids soar!

Become an EAA Chapter 180 Member Today!

Teen Aircraft is a chapter project and extension of Chapter 180.

Our talented chapter members mentor young people in building airplanes and self-confidence every Saturday morning at SRQ.

Social and Fun Flying Events

- Spring and Fall Picnics at Airport Manatee
- Dinner Meetings
- Fly-outs to area airports
- Chapter member gatherings at AirVenture in Oshkosh
